is a vibrant mix of International and Australian students from a diversity of backgrounds.

A history of philanthropy has ensured that a number of scholarships and bursaries have assisted many Kingsmen further their education and enhance their employment and life opportunities. The 2010 Annual Appeal continues this fine tradition focusing on the well-being of our students and providing you the donor the opportunity to make a real difference in the life of a student.

If you received a scholarship or bursary you will certainly understand the difference it made to your life or you may be a first time donor wishing to support this worthy cause. In considering one of our donation options, please enjoy reading the profiles of three of our current scholarship/bursary recipients.

Thank you to Emeritus Professor Trevor Heath for his photographic contribution.
